BRILL

Instructions for Authors

Scope

Vigiliae Christianae (VC) contains articles and short notes of an historical, cultural, linguistic or philological nature on early Christian literature written after the New Testament, as well as on Christian epigraphy and archaeology. Church and dogmatic history are, where possible, dealt with in their relation to social history; Byzantine and medieval literature are treated as far as they exhibit continuity with the early Christian period.

Ethical and Legal Conditions

Please note that submission of an article for publication in any of Brill's journals implies that you have read and agreed to Brill's Ethical and Legal Conditions. The Ethical and Legal Conditions can be found here: brill.com/downloads/conditions.pdf.

Online Submission

Vigiliae Christianae now uses online submission only. Authors should submit their manuscript online via the Editorial Manager (EM) online submission system at: editorialmanager.com/vc. First-time users of EM need to register first. Go to the website and click on the "Register Now" link in the login menu. Enter the information requested. When you register, select e-mail as your preferred method of contact. Upon successful registration, you will receive an e-mail message containing your Username and Password. If you should forget your Username and Password, click on the "Send Username/Password" link in the login section, and enter your first name, last name and email address exactly as you had entered it when you registered. Your access codes will then be e-mailed to you.

Prior to submission, authors are encouraged to read the 'Instructions to Authors'. When submitting via the website, you will be guided stepwise through the creation and uploading of the various files. A revised document is uploaded the same way as the initial submission. The system automatically generates an electronic (PDF) proof, which is then used for reviewing purposes. All correspondence, including the editor's request for revision and final decision, is sent by e-mail.

Contact Address

For any questions or problems relating to your manuscript please contact the Editors, Katharina Greschat (Katharina.Greschat@rub.de) and Josef Lössl (LossJ@cardiff.ac.uk). For eventual questions about Editorial Manager, authors can also contact the Brill EM Support Department at: em@brill.com.

Submission Requirements

Language

Manuscripts should be submitted in English, French or German. Spelling should be consistent throughout.

Transliteration and Non-Roman Scripts

Authors are requested to check their manuscripts, and especially their quotations, most carefully, and to type out all Greek, as later corrections in the proof stage are expensive and time-consuming. Syriac, Hebrew and Coptic quotations should be transcribed unless the original version is indispensable. For more information on the various fonts and formats to be used, please go to Brill's website at brill.nl and from there follow the links to *Author Gateway*, *Guidelines and Instructions* and then to *Special Scripts & Transliteration* (brill.nl/downloads/Handling-Transliteration.pdf) and to *Fonts & Unicode*. (brill.nl/downloads/Latin-and-IPA.pdf).

Manuscript Structure

Manuscripts should be printed with a wide margin and double space between the lines. Please use one side of the paper only. The first page should have ample space at the top around the title.

Title

Titles should be as short as possible. A (shortened) running title should be provided.

Abstract and Keywords

An abstract of 100–150 words and 2–6 keywords, in English, should be provided.

Italics

Italics should be used sparingly (but see below).

Latin quotations should be printed in italic.

Footnotes and References

The Journal uses footnotes, and not endnotes or a reference list. The titles of books and of journals (not of papers in journals) should be given in italics. Add DOI whenever available. For example:

- H.A. Wolfson, *The Philosophy of the Church Fathers* 1 (Cambridge, MA. 41964) 106-111.
- L.W. Barnard, "The Antecedents of Arius," *Vigiliae Christianae* 24 (1970) 172-188. DOI: 10.1163/15700720-12340004.

Publication

Proofs

Upon acceptance, a PDF of the article proofs will be sent to authors by e-mail to check carefully for factual and typographic errors. Authors are responsible for checking these. At this stage in the production process only minor corrections are allowed. Alterations to the original manuscript at this stage will result in considerable delay in publication and, therefore, are not accepted unless charged to the author. Proof corrections should be returned promptly.

E-Offprints

A PDF file of the article will be supplied free of charge by the publisher to authors for personal use. Brill is a RoMEO green publisher. Authors are allowed to post the pdf post-print version of their articles on their own personal websites free of charge. This means they can show the article exactly as it appears in print. The institute employing the author is allowed to post the post-refereed, but pre-print version of articles free of charge on its repository. The post-refereed, pre-print version means the final accepted version of the manuscript before typesetting.

Consent to Publish
