Subscription Options

Institutional customers may wish to consider subscribing to the whole collection or subject-specific collections. Each collection gives access to all online available content back to the year 2000. After unsubscribing perpetual access to collections is maintained for all years paid for. The flexibility of discrete subject collections enables libraries to tailor subscriptions to their institution's needs, whilst offering their patrons access to a wider range of journal titles from a highly respected academic publisher.

Extra value

By subscribing to these broad predefined collections the library is rewarded with a 20% discount compared to subscribing to individual journal titles one by one.
